

HAPPY HOME ENGLISH SCHOOL, SHARJAH

GRADE / YEAR TRANSITION

Dear Parents,

Greetings from Happy Home English School. Hope all are Safe with good health.

As per the instructions from SPEA (Sharjah Private Education Authority) all British Curriculum Schools in Sharjah will have to follow UK National Curriculum Standards and transit smoothly from the grade system to year system.

Example: - Year 1/ KG-2, Year 4/ Grade 3

In order to ensure this transition is smooth, school will follow dual terminologies in classroom as well as in all important documents.

Kindly refer to the chart on School Website to understand the difference between Year and Grade System.
